Contents

**Introduction/Chapter 1**
What Does Alignment to Academic Standards Mean? 7
Further Understanding Alignment 13
Selecting IEP Goals to Promote Alignment 17
Writing Measurable IEP Goals 29
Writing Measurable IEP Objectives 30
Writing Goals and Objectives for Active Participation 31
Strategies for Alignment to State Standards 33

**Chapter 2**
Promote Broad Skills in English Language Arts and Mathematics 35
Promoting ELA Skills 36
Present Level of Performance 41
Promoting Mathematics Skills 47

**Chapter 3**
Focus on Self-Determination 57
Components of Self-Determination 58
Incorporating Self-Determination 59
Expanding Academic Objectives to Include Self-Determination 61

**Chapter 4**
Using Assistive Technology 63
Reading Scenarios 64
Writing Scenarios 64
Math Scenarios 65

**Chapter 5**
Using a Real-Life Activity to Help Make the Standard Meaningful 73
Examples of Real-Life Applications of Geometry Skills 75

**Chapter 6**
Practicing Alignment to State Standards 77
Aligning English Language Arts Objectives 78
Aligning Mathematics Objectives 88
Case Study Example 97

**Chapter 7**
Teaching to the Standards 109
Using Assistive Technology to “Show What They Know” 110
Adapting Books and Other Printed Materials 111
Selecting Manipulatives 113
Evidence-Based Teaching Practices 113
Formulas for Teaching Content Areas 117
English Language Arts Standards 117
Mathematics Standard 118
Science Standards 119
Creating a Method for Progress Monitoring 121

**Appendix** 129

**Notes** 133
